

Dear Parent:

We are pleased to inform you that instrumental music instruction will be offered in your school this year as part of the regular program. Your child has expressed a desire to learn to play an instrument. Class instruction is designed for students who have had no previous instrumental instruction. A limited number of the instruments listed below are available for loan to students:

STRING INSTRUMENTS: Violin, Cello, String Bass

WIND INSTRUMENTS: Flute, Clarinet, Trumpet, Trombone

Students will be selected on the basis of interest, musical ability, and maintenance of high classroom standards. Membership in the instrument class involves three responsibilities on the part of the parent and the student:

1. The instrument must be properly cared for and not broken.
2. The instrument must be brought to school for every lesson.
3. The student must practice at home between lessons.

If you wish to be considered for enrollment in these classes, please fill out the attached tear-off and return it to the school. Please be aware that should there be insufficient instruments for all that apply, some students will be put on a waiting list.

-----Tear-off and return to Classroom Teacher-----  
APPLICATION FOR INSTRUMENTAL MUSIC CLASS

STUDENT'S NAME \_\_\_\_\_
